THE CHURCH AT ANTIOCH

LESSON TEXT—Acts 11:19-26.
GOLDEN TEXT—The disciples were called Christians first in Antioch—Acts 11:26.
PRIMARY TOPIC—Some People Who Received a New Name.
JUNIOR TOPIC—Barnabas in Antioch.
INTERMEDIATE AND SENIOR TOPIC—Lesson From the Church in Antioch.
YOUNG PEOPLE AND ADULT TOPIC—The Secret of a Growing Church.

Saul, the new missionary, who was to lend in the evangelization of the heathen, having been miraculously called to his work, it was necessary that a new religious center be established. Antioch became that center.

I. Preaching the Word of God at Antioch (vv. 19-21).

Persecution at Jerusalem scattered the disciples abroad. Some went among the Jews only with the gospel message, while those from Africa and Cyprus courageously crossed the line and preached to the Greeks also. 2. Work Done by Barnabas (vv. 23, 25, 26).

(a) He heartily endorsed the work and earnestly exhorted them to continue steadfastly in the faith, and to cleave unto the Lord. There are many allurements to tempt young Christians.

(b) He rejoiced over the work which had been done. This shows that Barnabas could rejoice over the successful work done by others.

(c) He brought Saul from Tarsus (v. 25).

He did more than merely inspect the work. Doubtless he preached also for many people were added unto the Lord. The work grew to such an extent that he brought Saul to help him. They labored together for a year with the church, and carefully taught the people. Believers, after they have confessed Christ, need careful teaching. Barnabas had the good judgment to seek Saul for this important work. Saul was a most important man than Barnabas. There are many men in the ministry who require a Barnabas to bring them forth to usefulness. Saul was a more learned
